

Friends of Bolton Street Cemetery

(1977)

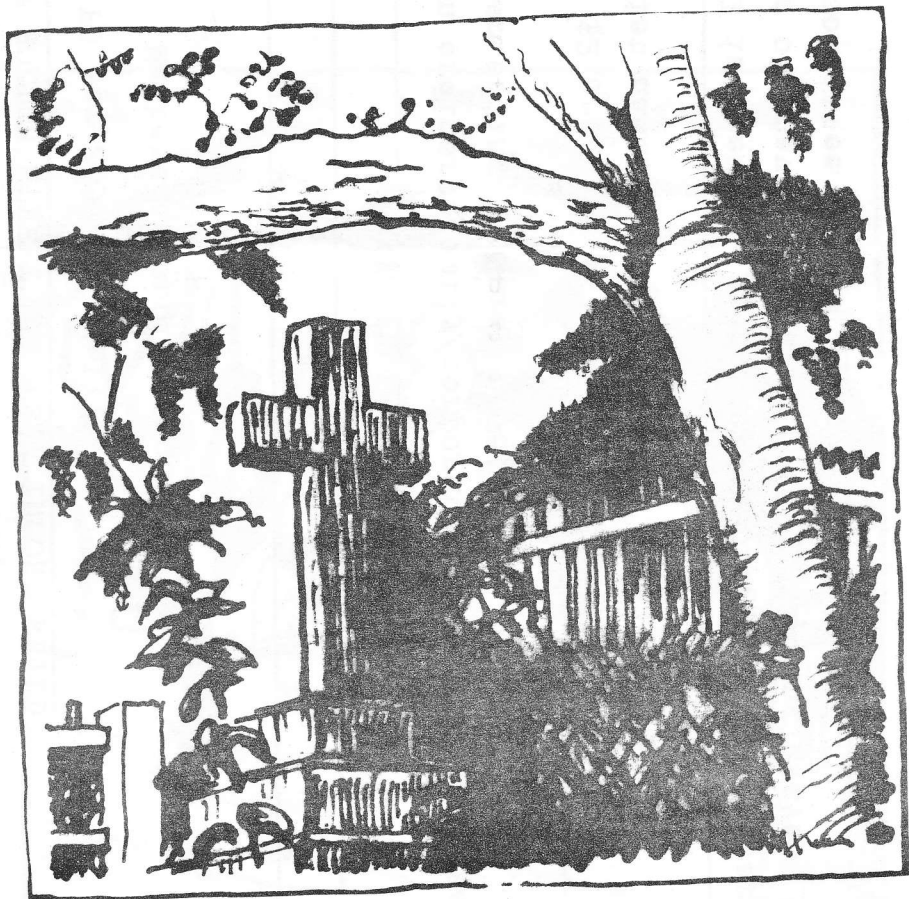

The Friends of Bolton Street Cemetery Society was formed in March 1977 with the main aim of helping to preserve, protect and develop the wooded and historic atmosphere of Bolton Street Cemetery for the benefit of all. The Society gives moral support and practical help to the Wellington City Corporation's Parks and Reserves Department in its efforts to tidy, repair and maintain the graves, and to develop the area as a cemetery-park.

Over the past year our members have held Saturday morning workdays to weed, tidy and clear rubbish and to paint the wooden and iron grave surrounds. Other members have been doing research with the aim of compiling a biographical note on everyone buried in the cemetery

With the completion of the footbridge over the motorway the two parts of the cemetery will be linked and will then provide a unique recreational asset. Would you like to join the Friends and help us to help the City Council see that the cemetery gets the care that it needs? If you would there is a membership application form on the back of this leaflet.

If you would like to buy a seedling
from the old oak tree in the cemetery,
these are available from the Thorndon
Groups' stall.
